

PERSONAL DATA

Name: **Benigno Moreno Sánchez**
Mobile phone: 0034 649 621 833
E-Mail: moreno.benigno@gmail.com
Birth year: 1986
Nationality: Spanish
Marital status: Single

ACADEMIC EDUCATION

2012-2013 **BACHELOR IN TELECOMMUNICATION ENGINEER (EHEA)**

Universidad Politécnica de Valencia, Spain

2006-2010 **BACHELOR IN TELECOMMUNICATION ENGINEER**

Polytechnic School, Universidad de Extremadura, Spain

WORK EXPERIENCE

Software Designer & Developer. Collaboration Internship (April-Dec. 2013)

Institute of Telecommunications and Multimedia Applications. Valencia, Spain

- Software design and develop. for control and communication PC-FPGA with Matlab
- Graphical User Interface development with Matlab
- Digital Signal Processing from FPGA with Matlab
- Rotary encoder control with Arduino microcontroller

Web Developer. Promoe Scholarship (Jan.-Aug. 2012)

CREAMA, Hanyang University. Seoul, South Korea

- Web developer for sound maps with HTML5 and JavaScript
- Online interactive sound maps
- Digital audio signal processing

Software & Hardware Tester. Faro-Global Internship (April-Sept. 2010)

Soundtec GmbH. Göttingen, Germany

- Acoustic Software & Hardware testing
- Video-manuals creation

Software Designer & Developer. Erasmus Scholarship (Oct.2008-Jun. 2009)

Acoustic Lab., HAWK University. Göttingen, Germany

- Software developer for control and communication PC-sound mixer with LabVIEW.
- Graphical User Interface development with LabVIEW.
- Digital Audio Signal Processing with LabVIEW.

LANGUAGE SKILLS

Spanish Mother tongue

English High level: speaking, writing, reading

German Medium level: speaking, writing, reading

INFORMATION TECHNOLOGY

Programming: MATLAB, LabVIEW, Arduino

O.S.: Microsoft Windows, Mac OS, Linux

Others: Office, LaTeX, Web

Miscellaneous: Driving license, car
