EDUCATION and TRAINING

2006-2014

Energy and Mining Engineer

Technical University of Madrid

Intensification of Energy and Fuel:

- Nuclear Technology and Radiological Protection
- Basic Process Operations
- Power Distribution and Utilization
- Fuel Technology
- Thermoeconomics and Energy Optimization
- Refining, Transportation and Storage of Hydrocarbons
- Petrochemistry Processes

Final Project: "Statistical control of calibration volumetric positive displacement meters for custody transfer of liquid hydrocarbons" Mark: 10

2014

Industrial Metrology

"Cathedra CLH"

- Theory Seminary of 26 hours
- Technical Visit to CLH Center (Loeches)

2013-2014

Lubricants

Exploration & Production of Hydrocarbons

"Cáthedra CEPSA"

- Theory Seminars of 50 hours
- Visit to Cepsa Technological Center (Alcalá de Henares)
- Technical Visit to Oil Station Ayoluengo (Burgos)

2012-2013

Oil & Gas Engineer

"Cathedra REPSOL"

- Theory Seminary of 74 hours (Diploma)
- Practical and Theoretical Visit to the Fuel & Petrophysical Lab (Tecnogetafe)
- Technical Visit to Enagás Operations Center

2000-2006

Compulsory Secondary Education

High School

Almazán European College

WORK EXPERIENCE

01/07/2014 – Currently (Madrid, Spain)
ECB Engineering Firm, Engineering Sector

JUNIOR CONSULTANT (Grant)

-**Objective:** To evaluate important companies of EPC sector (Engineering, Procurement and Construction) and submit reports about new positions to projects in the entire world.

31/01/2014 – 31/07/2014 (Ríos Rosas 21, Madrid)
LECEM - MT, Industrial Metrology Sector (I&C)
TECHNICAL LAB (Internships) Detail engineering

-**Objective:** To analyze calibration results giving support to the customer CLH of LECCEM.

-**Activities:** Creating databases from temperature calibrations and testing, using SQL.

-**Project:** "Control y Predicción de Medidores de Cargadero AccuLoad" to CLH.

15/10/2006 - Currently (Madrid, Spain)
FREELANCE, Education Sector
PRIVATE TUTOR

23/06/2006 - 04/09/2006 (CC Sanchinarro, Madrid)
EI CORTE INGLÉS, Service Sector
SHOP SALES ASISSTANT

PERSONAL SKILLS

English (*Intermediate Level*)

Spoken and Written

Expression (B1) y Comprensión (B2)

- Technical English CEPESA Cathedra

Computer Skills

AutoCAD, Maple, MatLAB, Aspen, PSpice, Origin
Microsoft Office (High Excel), Visual Basic and SQL

Additional Information

- Organized and leadership during teamwork activities.
 - Tennis player in "Federación Española de Tenis" and Alameda Tennis Club.
 - Driving License: A1, A2, A and B (Own vehicle)
 - Total availability
 - Geographical mobility
-
