JOB OBJECTIVE

Seeking challenging assignments in **Project Management** with an organization of repute in Construction industry, preferably in Qatar.

PROFILE SUMMARY

- **Bachelors in Civil Engineering** with nearly 11 years of experience in:

Project Management

Construction Management

Marine Works

Maintenance Operations

Facility Management

Landscape

- Expertise in **quantity surveying, tendering, contracting, routine site inspections, techno-commercial negotiations, bill settlement, checking & approvals** in coordination with internal & external departments.
- Proven abilities in providing customized solutions to **clients** using suitable techniques for additional business avenue
- Experienced in **reviewing & certifying land surveys** and supervising the process of establishing position & detailed layout of new structures for subsequent construction.
- Abilities in establishing **processes & SOPs**, streamlining workflow and creating team work environment to enhance productivity innovatively.
- An effective leader with the ability to take people along towards the accomplishment of organisational goals, while ensuring their individual development in the process under different conditions.

ORGANISATIONAL EXPERIENCE

Since May'12	Venus International Services Co., Doha as Operations Manager- Construction & Landscape
Jan'10-Apr'12	New International Technology Co., Doha, Qatar as Project Manager- Construction & Landscape
Feb'06-Dec'09	Mubarakia Marine Services Co., Doha, Qatar/Ahmadi, Kuwait-Marine, Construction & Earthworks
Growth Path:	
Jul'03-Dec'04	Site Engineer
Jan'05-Dec'05	Structural Design Engineer
Feb'06-Nov'06	Civil Engineer / Site Engineer
Dec'06-Aug'07	Project Engineer
Sep'07-Dec'09	Project Manager

Role:

Project Management:

- Formulating project baselines as per various requirements with respect to cost, time over-runs, utilities & aesthetics.
- Steering the successful rollout of projects with accountability of defining scope, setting timelines, analysing requirements, prioritising tasks and identifying dependencies as per pre-set budgets.

Construction Management:

- Looking after construction operations like handling procurement, inviting quotations, conducting codes analysis of rates and stacking / storing raw materials to ensure uninterrupted supply.
- Preparing master schedules & weekly / monthly progress reports for all projects including earned value, milestones, BOQ, techno-commercial bids, cash flow & budgets.

Techno-Commercial Operations:

- Developing budgets & annual plans to manage facilities as per organizational needs; managing inventory of materials and handling procurement of the same in the desired timeframe.
- Planning predictive & preventive maintenance schedules for equipment and conducting regular shutdown inspections to ensure smooth operations.

Landscaping Operations:

- Conducting preliminary studies with respect to various building services & cost factor with a key emphasis on aesthetics part; securing project approvals, designing landscapes using naturalism style & modern geometric designs.
- Working closely with the client to design, develop, plant & maintain a given landscaped area; offering services ranging from designing a site right through to maintenance of that area.

Highlights:

- Executed a delayed project on Deeping Wakrah Channel and completed the same to prevent any penalties at Mubarakia Marine Services Co.
- Adjudged as Employee of the Year in 2013 at Venus International Services.
- Received two extensions of time from QP Dukhan based on their delay during design approval stage.
- Awarded a project from ASGHAL for dredging Al-Dhakhira channel after the huge success in Wakrah channel.
- Developed construction teams during QP Dukhan project to reduce the reliability on the sub-contractors.
- Created new methodologies to work in dry conditions to reduce the project duration and saved two months due to so during Diafah Mixed Use Development Marine Works,
- Improved project teams persons and upgrading their occupations and skills.

ANNEXURE

Projects Handled:

At Venus International Services Co., Doha:

Title: Facility Management, Landscape & Maintenance Works of Al Jazi Compounds
Client: Al Jazi Real Estate
Period: May'12-Jan'13
Consultant: Johnson Controls

Title: Construction & Landscape Works for Qatar Faculty of Islamic Studies at Qatar Foundation
Client: JV CCC / TCC
Period: Sep'12-Dec'13
Consultant: LB / ASTAD

Title: Construction & Landscape Works for Aspetar Hospital at Aspire Zone
Client: SEG
Period: Sep'12-Sep'13
Consultant: PROJACS / Aspire Logistics

Title: Construction & Landscape Works for Grand Heritage Hotel at Aspire Zone
Client: SEG
Period: Oct'12-May'13
Consultant: PROJACS / Aspire Logistics

Title: Construction & Landscape Works for Sheikh Saud Palace at Pearl Qatar
Client: MSK
Period: Nov'13-Jan'14
Consultant: UDC

Title: Construction of Multipurpose Hall at Al Saad Sports Club for QATAR OLYMPIC COMMITTEE
Client: AKTOR S.A.
Period: Mar'14 till now
Consultant: KEO / JCP / ASTAD

Title: Construction of Health & Wellness Care Centre
Client: ASHGHAL (Public Works Authority)
Period: Jan'14 till now
Consultant: JV EC Harris-Mace / GEIC / ECG

Title: Construction of Sheikh Thani Bin Abdullah Palace
Client: EZDAN
Period: Mar'14 till now
Consultant: DARA ENGINEERING

Title: Construction of New Doha Zoo
Client: ASWAN
Period: Apr'14 till now
Consultant: JV EC Harris-Mace / KEO

Title: Construction of Al Hazm Mall
Client: Al Emadi Enterprises
Period: Apr'14 till now
Consultant: Al Emadi Enterprises

Title: Construction of Offices, Workshops & Storage Hangers
Client: QATALUM
Period: May'14 till now
Consultant: QATALUM

Title: Construction of Steel Workshops.
Client: QBC
Period: May'14 till now
Consultant: HIS

Key Result Areas:

- Operations & Projects Control.
- Facility Management.
- Infrastructures.
- Enabling & Demolition.
- Landscaping & Irrigation.
- Steel Structures.

At New International Technology Co., Doha, Qatar:

Title: Construction Works; Project No. GC09100400 within Dukhan Fields
Client: Qatar Petroleum
Period: Jan'10-Apr'12
Consultant: Energoprojekt Entel
Role: Project Manager

Key Result Areas:

- Project Management & Control.
- Electro-Mechanical Works.
- Infrastructures.
- Roads & Bridges.
- Landscaping & Irrigation.
- Steel Structures.

At Mubarakia Marine Services Co., Doha, Qatar:

Title: Diafah Mixed Use Development Marine Works, WestBay
Client: Ministry of Finance
Period: Sep'07-Apr'08
Consultant: KEO / COWI
Role: Project Manager

Title: Deeping of Wakrah Channel
Client: Port Authority
Period: May'08-Dec'08
Consultant: Public Work Authority / Technital S.P.A.
Role: Project Manager

Title: Dredging of Al-Dhakhira Channel
Period: Jan'09-Dec'09
Client: Port Authority
Consultant: Public Work Authority / Technital S.P.A.
Role: Project Manager

Key Result Areas:

- Involved in in-house cost control calculation.
- Ports & Breakwaters Construction.
- Heavy Machineries.
- Conducted land survey using total stations & level cameras.
- Performed Bathymetric Survey using Eco-Sounder with GPS.

At Mubarakia Marine Services Co., Ahmadi, Kuwait:

Title: Enhancement of Crude Export Facilities at Kuwait Oil Co.
Period: Feb'06–Nov'06
Client: Tekfen Construction & Installation Co., Inc.
Consultant: Fluor
Role: Civil Engineer

Title: Survey & Flushing of 12" Pipeline at KNPC
Period: Nov'06–Dec'06
Client: Kuwait National Petroleum Co.
Consultant: Fluor
Role: Site Engineer

Title: Dredging of Intake Channel at Doha West Plant
Period: Dec'06–Aug'07
Client: Ministry of Energy
Consultant: Ministry of Energy
Role: Project Engineer

Key Result Areas:

- Navigational Channels Construction.
- Heavy Machineries Maintenance.
- Earthworks.
- Land & Bathymetric Survey.
- Quantity Survey.
- Site Management.

At Nada Co. for Construction–Mansoura, Egypt

Title: Various
Period: Jan'05–Dec'05
Client: Various
Consultant: Various
Role: Structural Design Engineer

Key Result Areas:

- Developed shop drawings of building, villas & water / sewage networks using AutoCAD 2000 & SAP 2000 software.
- Involved in quantity surveying and Bar Bending Schedules.

At Sonbaty Co. for Trading & Construction, Mansoura, Egypt:

Title: Construction of Water Networks in Some of Mansoura Villages
Period: Jul'03–Oct'03
Client: Ministry of Irrigation & Water Resources, Water Section
Consultant: Dr. Adel Gabr Bureau
Role: Site Engineer

Title: Construction of Senbelaween Club Building
Period: Oct'03–Dec'03
Client: Ministry of Youth & Sport
Consultant: Dr. Fikry Salim Bureau
Role: Site Engineer

Title: Construction of Saeedia Club Building
Period: Jan'04–Mar'04
