Mobile. 660381021

Dear Sirs:

I am writing to offer my self-candidacy, and to participate in a selection process of your company in the near future if you so precise account.

As you can see in my Curriculum Vitae I am Industrial Engineer esp. Electricity, and I have over 5 years of experience in the technical department of electrical and risk prevention in different companies in the same industry.

I am a consistent, responsible and I love the new professional challenges. I love to work with you to develop myself personally and professionally, providing my smooth experience.

I am at your disposal to provide information as precise account complement or you conclude a personal interview with me and I will gladly answer your questions.

Signature:

Signed: Enrique Gómez Salavert
