Personal Profile

A hard-working, reliable and enthusiastic student studying third year of bachelor in Aeronavigation Engineering at Universitat Politècnica de Catalunya. I am experienced in working in a team as well as working alone. I am interested in participating in a summer internship within your company. I think that my education and motivation will make me an asset for any department where you place me. This experience in your company would teach me about working in a real team of experts and how to apply the knowledge learned at University.
